

SPH GROUP

SERVING IN
EXCELLENCE

Thank you for showing interest in **SPH GROUP.**

A dream of many ideas coming together, with great passion and an opportunity ceased is how SPH GROUP came to be. Our aim at building SPH GROUP was to create an entity independent cutting across all sectors.

We have built our divisions in order to create the perfect utilization of our available resources and eliminate needs of dependency, which in turn saves great deals of time in the servicing sector.

We have been developing our divisions with immense speed and take great interest in the interests of our consumers and understanding their problems and needs. We have designed SPH GROUP to be consumer oriented from the beginning. We are developing ourselves in order to be the one stop solution to every aspect of the projects industry. We have noticed major changes in our infrastructure, division expansions and an increase in employee numbers. These changes prove a positive motion which we continue to practice and achieve.

Come, let us work together, let us serve your interests. Your interest in our company 's operations and what we stand for means a lot.

Prefabricated Housing

With a housing shortage in Tanzania and other developing regions, there has been a large demand for our prefab homes. Prefab Houses are a perfect solution to the housing crisis as they provide an affordable, durable and quick solution.

Every family across the world wants a place to call home. We have tailored our floor plans to meet each dream home design - from every part of the world and every budget, our prefab homes are the solution.

A great architect does much more than designing a good looking house. Certainly, curb appeal is a large part of the task, as this is what people see first, but an architect is responsible for the functional design of the home as well. It's the little things that make a house truly a dream home and SPH GROUP has the expertise to blend the forms and functions & execute the plans to perfection anywhere in Tanzania.

Our operational model
revolves around
4 main activities

Residential Facilities

With SPH Prefab containers on Residential housing projects, our clients will have the option to customize the interior design based on their preferences. Depending on the dimensions of the prefab container purchased, clients can decide the aesthetics of both the interior and exterior of the prefab house, the room arrangement and WC optioning.

All prefabs are of PREMIUM quality and certified Under ISO. Suggestions will be made to our valued clients on which prefab to purchase depending on the technical requirements.

- ✓ **WING CONTAINERS**
2 bedroom (single + doubles)
Kitchen + Dining
2 Ensuite WC + Shower

- ✓ **WING CONTAINERS**
Double bedroom
Kitchen + Dining
Ensuite WC + Shower

- ✓ **WING CONTAINERS**
Single bedroom
Kitchen + Dining
Ensuite WC + Shower

- ✓ **EXPANDABLES**
2 Single/Double bedroom
Kitchen + Dining
WC + Shower

Commercial Facilities

To ensure retail businesses too get access to affordable and quick assembled retail shops, SPH offers prefab containers designed to handle retail businesses. The containers can be designed as a complex, unitary shopping units and cafes or mini restaurants.

All prefabs are of PREMIUM quality and certified Under ISO. Suggestions will be made to our valued clients on which prefab to purchase depending on the technical requirements.

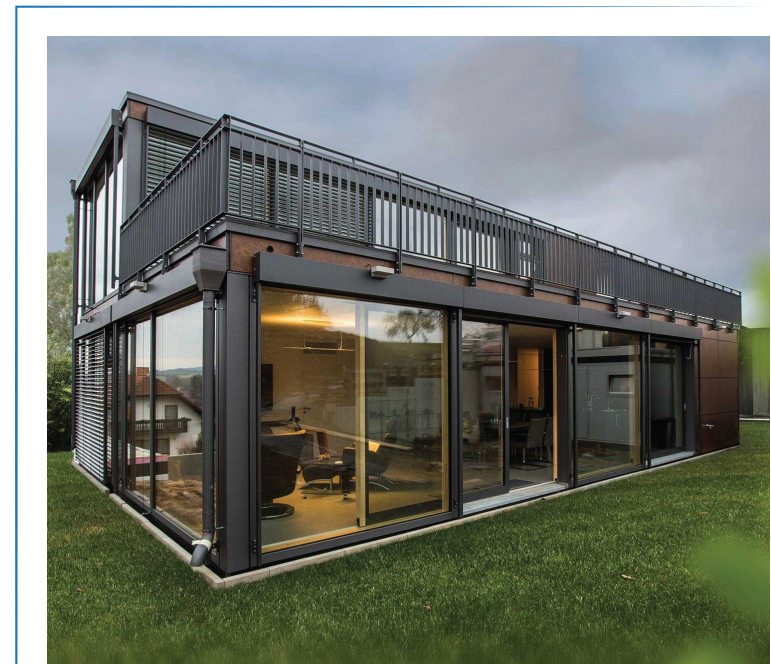

- ✓ Retail Outlets
- ✓ Mini Market
- ✓ Cafe
- ✓ Mini Restaurant

Office Facilities

Our premises containers can also be used to construct office premises. The office premises will have the aesthetics and design chosen by the clients themselves. And the full premises may include, multiple offices, meeting rooms, waiting rooms, WC and conference rooms.

- ✓ Office Multiple
- ✓ Office Single
- ✓ Meeting Room
- ✓ Pantry - WC

Academic Facilities

Our **SPH** containers can also be used for academic facilities, these are mostly used as a contingent solution and not a long term academic facility. The facilities can include classroom, staff office amongst many others.

All prefabs are of **PREMIUM** quality and certified Under ISO. Suggestions will be made to our valued clients on which prefab to purchase depending on the technical requirements.

- ✓ Classroom
- ✓ Library
- ✓ Staff Office
- ✓ WC

Healthcare Facilities

For the purpose of promoting the medical industry and the efforts initiate by the ministry of health, SPH also designs quick assembled medical clinics which can be used in remote areas where medical services aren't easily accessible. The medical facilities can include consultancy rooms, pharmacy, laboratory, WC and many others depending on the clients wants.

- ✓ Reception - Pharmacy
- ✓ Examination - Consultation
- ✓ Laboratory
- ✓ WC - Shower

Construction Campsites

As expenditure on temporary housing for labourers can be problematic, we also provide foldable containers containers and quick assembled containers for these specific situations. But not only for a acomodation purposes, these temporary prefabs can also be used to set offices, meeting rooms in any construction site.

- ✓ Living Quarters
- ✓ Site Office
- ✓ Meeting Room
- ✓ WC - Shower

Manufacture & Supply of Furnitures

SPH GROUP has evolved into its present day format as a manufacturer of high quality, sophisticated, office and home furnitures. Our operation in Dar es Salaam is designed to produce bespoke solutions just as efficiently as accomplishing high volume runs of standard product. This ensures our competitiveness at all times, even when a solution for a client is not in our standard catalogue. Our installation teams are efficient, respectful and thorough, ensuring a smooth and stress-free office transition.

We make furnishing simple

1. Site survey & needs analysis.
2. Design & planning.
3. Quick quote.
4. Layouts & renders.
5. Fast delivery & installation.

Logistics

As a logistics company covering all modes of transportation including international freight forwarding and supply chain solution development, **SPH GROUP** is well positioned to support your diverse shipping and supply chain needs.

Our Services

Customs Clearance

Freight Forwarding

Transportation

Warehousing

Customs Clearance

We undertake all customs formalities for imports, transits, trans shipments and export goods at all ports as well as cross country's border points. At the port, we act on your behalf for customs clearance and other incumbent importation formalities with requisite regulatory authorities so as to ensure your cargo is legitimately and swiftly cleared the same applies for cargo clearances at cross country's border points.

Freight Forwarding

Our Department strives to assure your shipments are done timely and safely. We have forged extensive freight forwarding network alliances that guarantee excellent service lanes and connectivity to major gateways at all times. Our clients rest assured that their cargo is delivered at the chosen destination due to the seamless nature of our service delivery.

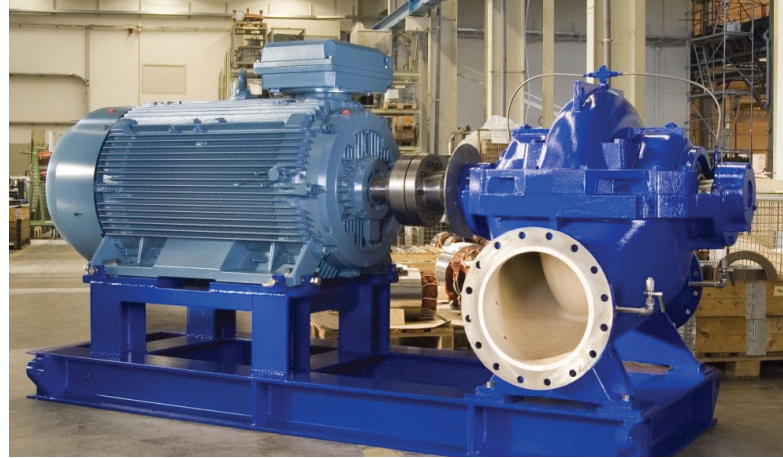

Transportation

Our expertise and experience in transport management and planning allows us to design solutions that not only meet your requirements but also swiftly respond to any unanticipated disruptions, be it adverse weather, additional pick-ups/drop-offs, or heavy traffic, our team utilizes a reliable network and state-of-the-art technology, that well places us to monitor and dynamically react to such situations so that your goods reach their destinations safely and timely.

Warehousing

With our modern methods of operation coupled with the top-notch technology we have invested in attainment of supply chain excellence remains a given whilst achieving synergies between the different business unit teams at the same time. Furthermore, our advanced network and warehouse planning serves as the core foundation to the constant and continuous improvement of SPH's affiliate warehouse grid.
